# SEPAND KEYVAN

I am a dedicated Business Administration student at the European School of Economics, combining my academic knowledge with hands-on entrepreneurial experience. As the owner of a small business specializing in premium Iranian caviar, I oversee the import and distribution of high-quality caviar from Iran to Milan. My role involves managing operations, ensuring product excellence, and building relationships with international clients. With a strong foundation in business strategy and international trade, I am passionate about expanding market opportunities and delivering luxury culinary experiences.

## EDUCATION

Bachelor of Science, Business Administration  
**European School of Economics**, Milan  
Expected in June 2027

- Currently I am Business Administration student at the European School of Economics

- GPA 86.24 of 100
- Study Abroad: [Experimental sciences] - [Alborz high school], [Karaj,Iran] Grade 11 Sep 2021-June 2022
- GPA 19.04 of 20
- Member of the school piano club attending various national competitions as a piano player for the school
- Leader of the school chess club

## PROFESSIONAL EXPERIENCE

### Intern

April 2024 - Current  
**Keyvan Consulting - Small Business Owner**, Milan

- As a passionate entrepreneur in the luxury food industry, I specialize in the sourcing, export, and global distribution of premium Iranian caviar-one of the finest delicacies in the world. With deep expertise in sturgeon farming, sustainable harvesting, and international trade, I ensure that the finest Beluga and Osetra caviar reaches elite clients, Michelin-starred restaurants, and luxury hospitality brands worldwide.

January 2022 - July 2022  
**IKCO - Buying Assistant**, Tehran

- Coordinated with suppliers to resolve issues related to product quality, deliveries, or invoicing disputes.
- Increased efficiency in purchasing activities by performing data analysis on past orders and adjusting future orders accordingly.
